Abstract. In this document, . . .

Contents

1	Section 1	1
1.1	Subsection 1.1	1

1 Section 1

[Smith and Doe, 2024]

Theorem 1.1 (My theorem).

$$a = b \tag{1.1}$$

Proof. Trivial! □

Imaginary unit with “\imaginary”: i
Euler number with “\euler”: e
Transpose with “\T”: x^T
Upright math with “\R{}”: x
Operator with “\ON{}”: x
Bold math with “\B{}”: $\mathbf{x}$
Mathbb with “\BB{}”: $\mathbb{X}$
Mathcal with “\C{}”: $\mathcal{X}$
Absolute value with “\abs{}”: $|x|$
Norm with “\norm{}”: $\|x\|$

1.1 Subsection 1.1

Important equation: $x = a + b$.

Paragraph. Text.

Subparagraph. Text.
